

## **MD NPDES Update - Jeannine Dorothy**

- 1) Mosquito control overseen by state
  - a) NPDES permit asking for same info as is already required by state
  - b) Worried about financial and support issues
  - c) Lots of duplication of effort by 2 different state agencies
- 2) Right now the state permit is in good shape
  - a) Requiring larvicide maps now
  - b) Asking for adulticiding maps when they are ready
