

Round Table Discussion

- 1) What will proposed stay of mandate do to momentum in Congress to make changes to CWA and FIFRA?
- 2) EPA draft permit is liberal and flexible in its current state
 - a) Nationwide state/federal working group
 - b) 3 meetings to look at permit language
 - i) Original permit draft was very costly and impractical
 - ii) Reasonable changes have been made to make the permit as user-friendly as possible
 - iii) Environmental groups are not happy - feel the permit is too lax
 - (1) Want 30 days notice before control begins
 - (2) Want testing
 - (3) Want access to all data and plans
 - c) Litigation is in the future
- 3) Adverse incident reporting
 - a) Environmental groups do not want applicators to be reporting the incidents
 - b) Want regulatory monitoring
