2012 Mid Atlantic Mosquito Control Association
Meeting
Gettysburg, PA

Noteworthy

- Altosid SR-5 ULV + Zenivex vs. albopictus - NJ large plot results look very good in lowering trap counts
- Agnique MMF G-PAK (WSP) very positive feedback!
- Fourstar Briquettes worked well in Rhode Island trials
- GeoPro data management system “ Reporting Wizard” and “Activity Near “ report generators well received.
- Dibrom and Trumpet still the premier product by air
