

Mid Atlantic Mosquito Control Association

2013 Conference Notes

- a) Maryland - Jeannine Dorothy
 - i) Most WNV since 2003
 - (1) 47 cases
 - (2) 6 deaths
 - ii) No EEE
 - iii) Lowest mosquito populations on record
 - iv) Aedes albopictus complaints were highest yet
 - v) Funding
 - (1) All state money has been pulled
 - (2) Funding now has to come from counties and cities
 - (3) Not a good situation
