AMCA[®]
THE AMERICAN MOSQUITO CONTROL ASSOCIATION

What is the AMCA?

- Non-profit professional association founded in NJ in 1935. Originally called the Eastern Association of Mosquito Control Workers.
- 1300+ members
- Made up of: students, scientists, regulators, industry, mosquito control employees, trustees, commissioners, and many others
- Members in 52 countries

Leadership

- AMCA is the leader in promoting the highest standards in professional mosquito control
- AMCA supports sound science
- Advocates *“Integrated Mosquito Management”*
- Recognized as a partner in EPA's Pesticide Environmental Stewardship Program (PESP)

Leadership

- At the national level, the AMCA provides information and testimony having impacts on policy decisions

- Some current issues:
 - Clean Water Act/NPDES permit issue
 - Federal Funding for West Nile virus control
 - Endangered Species Act considerations
 - U.S. Fish & Wildlife Service's national Mosquito Management Policy on National Wildlife Refuges

Association Headquarters

In 2006, AMCA partnered with Association Headquarters Inc.

- Executive management
- Membership services
- Financial management
- Web/technology services
- Data management
- Strategic planning
- Event/meeting management
- Marketing
- Public relations
- Creative services
- Content development
- Publishing
- Sponsorship sales
- New program development

Membership Categories

- **Regular Membership \$130**
 - Receives 4 issues of: JAMCA & Newsletter
 - Right to vote on association matters
 - Access to “Members Only” area of AMCA website
- **Student Membership \$30**
 - Receives 4 issues of: JAMCA & Newsletter
 - Access to “Members Only” area of AMCA website
- **Associate Membership \$60**
 - Receives 4 issues of: Newsletter
 - Access to “Members Only” area of AMCA website
- **Sustaining Membership (Based on budget)**
 - Includes 1 Regular Membership or 2 Associate Memberships plus additional benefits
 - Significant financial contribution to legislative efforts
 - Recognition on website, publications, and at meetings
 - All employees receive discounted member rates at events/webinars

Benefits of Membership

- Support legislative and regulatory advocacy
- Participation in organization governance
- “Members Only” access on AMCA website
- Discounted fees on webinars
- Receive publications:
 - Quarterly: Journal of AMCA, Newsletter
 - Monthly: e-Newsletter
- Lower registration fee at AMCA Meetings

What Does Membership *Really* Mean?

Membership in the AMCA means increased knowledge in the field of mosquito control allowing you to better protect public health!

Become a Sustaining Member!

Sustaining Membership enables AMCA to provide critical legislative and regulatory advocacy for the entire membership.

All Sustaining Membership fees, with the exception of the first \$130, fund legislative advocacy.

Pesticide Environmental Stewardship Program (PESP)

A Benefit of Sustaining Membership:

Sustaining Members can apply to become a
“PESP partner under the AMCA’s auspices”

Pesticide Environmental Stewardship Program (PESP)

- In 1994, the EPA initiated the PESP program with the goal of: *“reducing pesticide risk”*.
- In 1997, the AMCA became a “partner” with the EPA in this program.
- In 1999 & 2004, the AMCA was recognized by the EPA as an outstanding PESP partner.

Education and Information

Print On Demand Publications

A partnership of the American Mosquito Control Association
and the Fairfax County Health Department

By providing high quality information to your residents, your program can gain community support while helping residents to deal with mosquitoes and ticks.

The American Mosquito Control Association (AMCA) and Fairfax County have partnered to bring you outreach materials that are **customizable** for your district. You are able to purchase children's books, calendars, brochures, posters, and more, all customized with your own logo and district name.

Education and Information

Webinars – Web Based Education!

- AMCA is proud to bring quality education right to your desktops!
- FREE for members/\$100 nonmembers.
- Past webinars available for purchase.
 - *How Do I Deal With Someone Who Says Their Body Is Being Attacked By Invisible Bugs?*
 - *Give 'em What They Want: Advice to the Public on Biting Pest Control*
 - *Strategies for Safer Pesticide Applications*
 - *Risky Business? Mosquito Management and Risk Assessment*
 - *Eastern Equine Encephalitis*
 - *Dispelling Myths about Mosquito Control Utilizing the Media*
 - *What is an Integrated Mosquito Management Program?*

Education and Information

Student Competition

- Held annually at the AMCA Annual Meeting
- In 2013, 12 students from around the country participated.
- The winner received the Hollandsworth Prize in the amount of \$2,000! Two students also received monetary awards for Honorable Mention.
- In 2010, first student competition for Latin America Symposium was held.

AMCA Young Professionals Group

At the 2010 Annual Meeting, the AMCA Board of Directors created the Young Professionals Group.

- To promote interaction among young professionals in the field of mosquito control and research. Members may be students (undergraduates/graduates) with an interest in medical entomology, mosquito control/industry employees, research scientists/post docs in government/private institutions new in the professional world (~5 years or less).
- To promote interaction between young professionals and well-established, experienced and well known professionals in the field of mosquito control and research.
- To promote already existing student activities during the AMCA annual meeting and create new activities to increase participation of AMCA Young Professionals.
- To highlight research/professional achievements of AMCA Young Professionals.

Contact AMCA Headquarters at amca@mosquito.org to get involved!

AMCA Website
